**Description:** This will be an open class, and you are welcome to work on a pattern of your choosing. I will be presenting detailed information on “Beyond the Mat: Hooked Primitive Pillows & Purses”. This will be a perfect time if you’ve been interested in hooking & constructing a purse or pillow. Several techniques are used with both categories. In addition to the purses on my website (scan QR code above or visit [heartandharerugs.com](http://heartandharerugs.com)), I’m happy to work with you prior to the workshop to create a custom designed purse or pillow. Most of my designs can be adjusted to a pillow size as well.

**Class Highlights:**

- Individual color planning
- Design process
- Rug hooking tips & techniques
- Cutter care & maintenance
- Purse & pillow finishing techniques
- Mastering the ladder stitch to join seams

3-day workshop available with a maximum of 15 students. It is first come, first served for members. A waiting list will be started, if needed.
